## O How Lovely Is The Evening

LMS presents a special evening of Christmas Melodies.

It's amazing to me what these students can accomplish when presented with a challenge. Take my word for it, this concert was no easy task for these students. They may feel like it was easy, and they may have made it look easy, but I promise there was a lot of work put into their class time. I am looking forward to what we can do in the Spring.

## Last week before Christmas Break

### Christmas Karaoke, Desoto's Got Talent and a Pot-Luck Party

The students will get a chance to showcase their solo skills at the microphone during class time with Christmas songs of their choice. They should use their electronic device to provide music for their performance. I have posted some tracks for them to sing along with on the website. They may also download their own. They should also provide their own lyrics or have me print them out for them in class. I will not be projecting them from a computer.

They can also use this time to get feedback from me and practice a song for the DeSoto's Got Talent auditions in January. Information for this will be available at [www.cororio.org](http://www.cororio.org) by the end of the day Friday. Usually pop music is used but I also recommend oldies and traditional standards. Students using our Christmas Karaoke time to sing pop should be planning on attending the DeSoto's Got Talent Competition in January.

## “Santa Visits for our performance at DeSoto Health Care Center”

I have a sign-up sheet in the room for students to sign up for items to bring to our class pot luck Christmas party on Thursday, December 14th. Each party will take place during their class period. Please talk with your child about what item they should sign up for. Best to probably avoid breakable dishes. If you bring a crock pot or something you need back please have it labeled with a name.

## MERRY CHRISTMAS FROM THE FEAZELL'S

From my family to yours- May the sweet magic of the Christmas Spirit fill your heart and soul with happiness, love and may it spread throughout our community for all to feel.

Merry Christmas,

Christian, Catherine and Canon Fezell
