

Choir Parents,

What a terrific night last night was. I only hope you were able to enjoy the moments as much as I did. There is something about coming together in a non-competitive atmosphere to just enjoy the work of these wonderful children. They really did work very hard on their Christmas Concert and I am extremely pleased and proud with how the evening turned out. The children are in good spirits today in the classroom and we are looking forward to the rest of this busy time before our treasured Christmas Break.

Wednesday morning we will depart for our community outreach project at 8:45 and return before 2:30. First we will perform at Silver Creek (behind Kroger) and then go to DeSoto health center on Airways. Lunch will be at Chuck-E. cheese. Students can bring extra money for extra food and game tokens.

Parents I have as Chaperones are as follows.

Amanda Meadows, Valerie Campbell, Carey Marshall, Meshell Bagley, Cari Henderson, Crissy Crain, Ashley Collins, Tina M. Davison.

Please let me know if you are not planning to attend. Please meet at the school by 8:30.

Friday we will meet at **6:15 at the Landers Center** for the River Kings Hockey Game National Anthem. Students should wear a jacket over their choir shirt. We will meet at the entrance where the theatre is. I believe there is a large Nissan sign out there as well. Please remember there is a \$5 parking charge per car.

Tickets for the River Kings will be delivered to me in envelopes with the students names on them. I will give them to the students when they arrive and they will be responsible for getting them home.

Choir is having a Christmas Pot-Luck Party on Thursday, December 14th during their specific class time. I will have tables out for each class. Please have students label their dishes. I will put up a sign up sheet for things people can bring. Please talk with your child about what you might want them to sign up for. They also would like to play Secret Santa. We will draw names and give gifts under \$10.00

During the last week we will be performing Christmas Karaoke songs during class time. I have put numerous tracks on the website for students to use. I will add more over time. They may also pick their own and bring their own on a digital device.

If you have any questions about anything we are doing before January please do not hesitate to email me.

Merry Christmas,

Christian Fezell
