## Off To A Great Start

Congratulations again to the Advanced Ladies Ensemble for being awarded Best in Class at the Ole Miss Choral Festival. Something to be very proud of.

“It’s pretty amazing to bring home a win at the Ole Miss Festival during your first year”.

*We are looking forward to competing again next year.*

## Talent

I am so lucky to be working in an area with so much talent around. The students told me they really enjoyed attending Willy Wonka. I am so glad I was able to attend The Addams Family and School of Rock. The kids blow me away. They've got some awesome talent

## Benefits of Musical Theatre

I fully believe the voice is an instrument and singing is the practice of that instrument. Learning an instrument has numerous benefits. Adding dance and theatre into the mix will only add to the benefits of the experience. Those benefits being, yet not limited to, an appreciation for culture. Enhanced coordination, creativity, concentration, memory, verbal and social interaction skills. Critical thinking and problem solving. Increased self esteem and confidence...

I can't tell you how many times parents have told me over the years about how their child's self confidence went through the roof after getting involved in a musical.

It makes me so happy to see these children getting involved in the local theatre.
