

Dear Parents,

The LMS choir is excited to begin our first fundraiser of the year. We will be selling cookie dough for \$10.00.

Order forms will be passed out on Tuesday, October 10th in class. Please help and encourage your child to find sponsors to help support your child and our choir program. The more they sell, the better the percentage of profit we will make. The goal for each student is to sell 10 containers of dough. If we reach this goal we will be right at the 50% profit level.

Order forms will be due back on Monday, October 23rd.

Also, please mark **Friday, December 8th** on your calendars. The students will be singing the **National Anthem at the RiverKings Hockey Game** that evening. This is also a fundraiser. Students, parents and friends purchase tickets to the game through us and we receive 50% of the ticket cost back into our choir account.

We are also on the calendar to sing at the RiverKings game a second time on **Friday, March 30th**. The RiverKings games are not mandatory events, but I hope you will plan to have your child participate in both of those singing opportunities.

Thank you,

Christian Fezell
