LMS Fall Concert '17

LMS LHS Combined Fall Concert at Maples is a memorable event.

I thoroughly enjoyed the fall concert and it is my hope that everyone else in attendance did as well. It was such a beautiful experience and I was touched close to my heart multiple times during the evening. There were some fascinating moments including that transition into "Kusimama" after the 6th grade processional. A real highlight for me.

I have enjoyed getting to know the students and I am rewarded everyday during our time together in class. Rehearsal is such a treasured time and I look forward to it every day. I hope everyone has taken time to look back and reflect on what the students were able to accomplish on the evening of October 3rd.

LMS Singers are off to a wonderful start but there is much work to be done. We begin our new journey into our Christmas music right away. I look forward to building on what we have accomplished thus far. The students have

risen to the challenges I laid before them with great integrity and I am very thankful for that. It is my hope that we will continue to build this program to an extraordinary level of artistry. None of this comes about without dedication fueled by discipline; ordinary things done in extraordinary ways.

With deep gratitude,
Christian Feazell

THE HOMECOMING PARADE WAS A SUCCESS!

Thanks to everyone who came out and helped us make the homecoming float a great success. Thank you to everyone who purchased items and contributed materials. We could not have done it without you and your generosity. The students had a great time walking the parade and singing to the crowds of people.
