

Advanced Choir Parents,

This spring the members of the Advanced Guys and Advanced Ladies choir will have the opportunity to travel to St. Louis to participate in the Music in the Parks Choir Competition. The trip will be April 6-8, 2018. It is my hope that all of the students will be able to attend this exciting and memorable trip. A tentative schedule is as follows:

Friday, April 6

Travel day to St. Louis. Students will stop at Lambert's Cafe for lunch, and upon arrival in St. Louis will spend the evening at the City Museum.

Saturday, April 7

Spend day at Six Flags. Students will sing in the morning, and have the remainder of the day in the park.

Sunday, April 8

Spend morning at St. Louis Zoo, travel back to Olive Branch after lunch.

The approximate cost of the trip is \$250.00. I will be able to give you a final price once I know how many students and parents are attending. Breakfast is included, but students will be responsible for four meals in addition to the trip cost. A breakdown of costs is as follows:

Music in the Parks Festival: \$78.00 (students), \$53.00 (parents) (includes lunch in the park)

Hotel: \$59.00 (Holiday Inn SW Route 66, 10709 Watson Rd)

Bus: \$100 (this cost is approximate, and is based on 33 total riders)

City Museum: \$12.00

*Please note that the hotel cost is based on quad occupancy. Any parents that wish to share a room with their child and have less than four in a room will need to pay an additional hotel cost.

The students are currently beginning to do fundraisers, and the money they raise will go toward the cost of the trip. Their first fundraiser was sent home Friday, and is due back Friday, October 6.

In order to reserve the charter bus I am required to make a down payment. Please return the form below with a \$25 deposit by October 6 to secure your child's spot on the trip. As always, if you have any questions, please do not hesitate to contact me.

Thank you,
Christian Fezell
